

INVITATION TO ATTEND 50TH ANNIVERSARY CONFERENCE &

2018 ENGINEERING WEEK CELEBRATION

MARCH 19-24, 2018

ISGC - Teiman, Abokobi, Accra

THEME-“**GhIE@50: Introspection and the Impact of Engineering on Ghana’s Sustainable Development**”

Dear Member,

The Ghana Institution of Engineering (GhIE) is holding its 50th Anniversary Conference and 2018 Engineering Week Celebration, under the theme “**GhIE@50: Introspection and the Impact of Engineering on Ghana’s Sustainable Development**”. The event will be held at the ISGC - Teiman, Abokobi, Accra from **March 19 - 24, 2018**.

Activities marking the Engineering Week Celebration includes, **Students Forum, Induction Ceremony, Women in Engineering Forum, Opening Ceremony & Annual Conference and Presidential Inauguration.**

We write on behalf of the President and Council of the Ghana Institution of Engineering (GhIE) to extend an invitation to you to participate in the 2018 Engineering Week Celebration.

Benefits of Participation:

- **Earn CPD Points:** The conference offers Continuous Professional Development (CPD) points per participation in the Conference, Technical Visits and Annual General Meeting.
- **Incredible Speaker Presentations:** Keynote Speakers at Plenary Sessions will enlighten participants in new and different ways of what engineering means to their profession.
- **Professional Networking:** The 2018 Engineering Week Celebration will provide valuable educational topics and an excellent professional networking opportunity. It is the conference you cannot afford to miss.
- **Conference Treats:** Conference registration entitles you to conference proceedings, conference materials, souvenirs, etc.
- **Conference Declaration:** The Conference will document the views of participants and draw up a consensus opinion on the way forward, which will be presented to policy makers including the Government, MMDA, MDA’s, Academia, Industries, Institutions, etc.
- **Technical Site Visits:** There will be visits to sites of interest.
