

THE ENGINEERING EXCELLENCE AWARDS 2017

DATE:

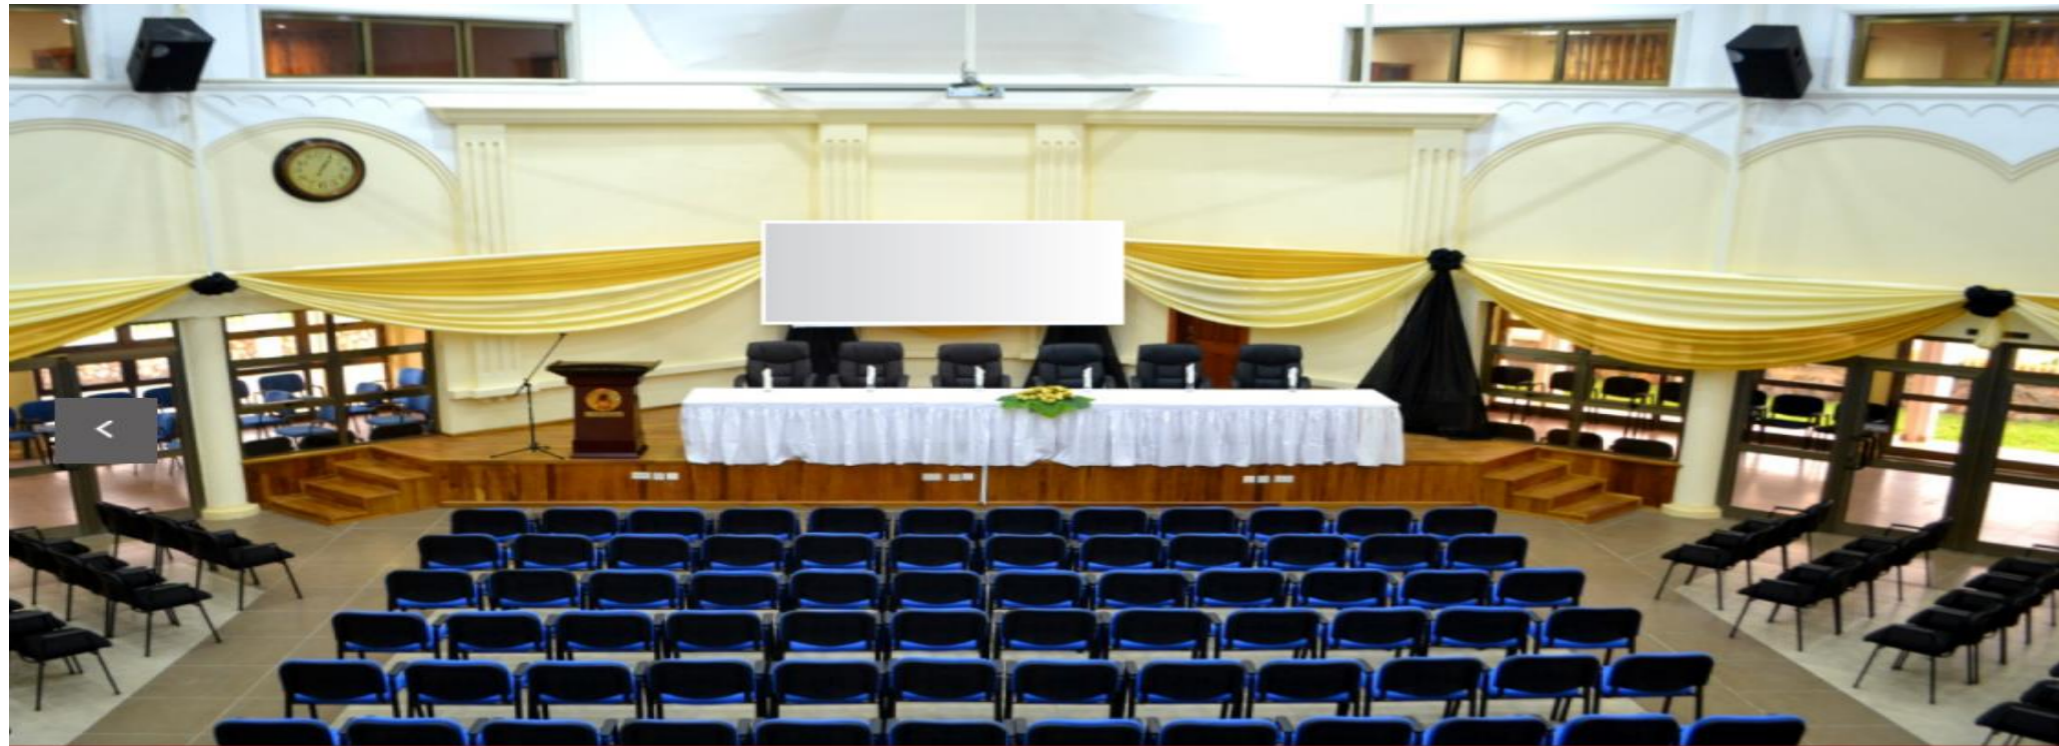

22nd February,
2018

TIME:

17:00hrs

VENUE:

Ghana Academy of Arts and
Science

Event Description Heading

Many Engineering and Non-Engineering professionals working in both the public and private sectors of Ghana continue to play important roles in shaping our environment and promoting sustainable development. These professionals need to be appreciated for their efforts and contributions in maintaining the integrity of good engineering practice amidst competing development interest and challenging situations.

**THEME: ENGINEERING RESEARCH AND INNOVATION:
IMPORTANT CONTRIBUTORS TO SUSTAINABLE DEVELOPMENT**

The EEA of GhIE has been established to reflect on and recognize the valuable contributions that individuals and organizations make

Special guest of honor and keynote speaker – Dr. Patrick Awuah
