2019/2020 ENGINEERING EXCELLENCE AWARDS (EEA), GHANA

Nomination Guidelines

BRIEF

The EEA Ghana is a National Award honouring the outstanding contribution of an individual or organization to promoting engineering excellence and innovations, and engineering students showing great potential for research. The fifth EEA event, will be presented in May 2020 in Accra, Ghana. The 2019/2020 Event expands the scope by seeking to encourage Engineering Research, Engineering Evangelism and the study of Engineering Subjects by young people. This initiative is brought to life by the introduction of new categories as well as the expansion of existing ones. The General public is encouraged to participate in this prestigious and increasingly competitive award. The subsequent pages provide information on call for nomination for the 2019/2020 Awards.
